The Inspector General of Foreign Assistance
The Department of State

SUBJECT : Security Assistance Inspection Report

REFERENCE : Your Letter of March 16, 1977

1. We have reviewed your five-part inspection report for matters of substantive and operational interest to the Central Intelligence Agency.

2. We find the study to be thought-provoking and thoroughgoing, and we have profited from it. However, there is nothing in the study that calls for an Agency position or affects its interests.

3. As you may already be aware, the findings of the study are being taken into account in the ongoing NSC/PRM 12 review of arms transfer policy.

4. I appreciate your making this study available to us for review.
